About the Book

The Veteran Next Door is a compilation of stories from the Nationally broadcast radio show of the same name.

The stories are from survivors of World War II. From a Jewish girl being given away at age 2 to save her from Auschwitz, to fighting in Bougainville and Guadalcanal.

From love stories, to fighting across Europe, being captured on the first day of the Battle of the Bulge, seeing the new German jets shoot down the B-17 flying in front of you, to the story of earning as many medals as Audie Murphy without receiving the Medal of Honor, to the 1946 Battle of Athens, Tennessee, and more.

The Veteran Next Door makes a great Christmas gift for Veterans and their families, or anyone interested in World War II! Call (865) 525-2323 to order your copy. Special pricing is available for multiple orders.

Randy helps Veterans with their needs - he tries to share their problems with folks as they're sleeping in streets, have very little money and food - they have been abandoned - bumper is going to cut their day - pray for them - I listen to Randy's radio program every weekend - and he features their stories - I usually cry when I hear their stories -
